

2011 GMSI International Workshop on Micro-scale Multiphase Flow Heat Transfer

Where?

ÉCOLE POLYTECHNIQUE
FÉDÉRALE DE LAUSANNE
Switzerland

Technische Universität Darmstadt
Germany

When?

Feb. 14-19, 2011

Which labs will be visited?

Prof. J.R. Thome
Lab. of Heat and Mass Transfer
EPFL (<http://lcm.epfl.ch/>)

Prof. Dr. –Ing. Peter Stephan
Technical Thermal Dynamics
Technische Universität Darmstadt
(<http://www.ttd.tu-darmstadt.de/>)

Who is eligible?

To participate you must have:

1. A related research topic
2. Good English ability
3. Support from your advisor

Participants will be selected from among the applicants.

To apply, send a brief outline of your research topic to
gmsi-office@mechasys.jp with the subject "EPFL-TUD tour"

- Travel expenses will be covered by GMSI.
- Yearly RA travel restrictions do not apply to this workshop.
