

2017 PKU-UTokyo Nano-Carbon Summer Camp

– Call for Participation –

Place: The University of Tokyo, Tokyo, Japan

Time: Jul. 27 - Aug. 2, 2017

General information:

Following the successful initiation in July 2015 at Tokyo and July 2016 at Beijing, the 3rd PKU-UTokyo Nano-Carbon Summer Camp will be held in Hongo Campus, The University of Tokyo, Japan, during Jul. 27 – Aug. 2, 2017. This camp will bring together 24 students and faculty members from two sides. In a week time, participants will intensively discuss cutting edge progresses in nano-carbon research and propose potential collaborations between PKU and UTokyo.

For more details please see PKU-UTokyo HP (JRCOE@PKU-UTokyo)

<http://www.photon.t.u-tokyo.ac.jp/~maruyama/PKU-UTokyo/PKU-UTokyo.html>

Expected participants:

Master or Doctoral course Japanese and International students who are working or interested in nano-carbon research. We encourage the participation of students from different research fields.

Expense:

No registration fee needed. Part of expenses of this summer camp will be supported by UTokyo projects and JST Sakura Science Program.

Tentative camp activities:

- Workshop and lectures on nano-carbon research
- Group discussion and presentation of proposed collaborative research
- Lab, City Tour and other activities
