

Call for Papers!

UT² Workshop 2016

Univ. of Tokyo and Univ. of Toronto Graduate Students Workshop

The seventh UT² workshop will be held on **June 22-24, 2016, at Univ. of Tokyo**. Doctoral course students in GMSI, COSM, Dept. of Materials Engineering and Dept. of Mechanical Engineering are all welcome and encouraged to participate in the workshop! The main topic of the workshop is “Materials Integration - present and future”, though presentations are not strictly limited to this topic. Those who like to present your research at the workshop must submit a 200 word abstract to; abe@material.t.u-tokyo.ac.jp, **by April 15th**.

About 10 presentations of U. Tokyo students are expected in the workshop. You will be notified by the end of April about the acceptance of your abstract. **Extended abstract** (A4, 2 pages) will be requested in case of acceptance, which must be prepared by May 11.

Important Dates

- April 15 200 Word Abstract deadline
- May 11 Deadline for Extended abstract
- June 22-24 UT² Workshop**
- June 25 Related activities (student excursion etc.)
