

2018 International Workshop on EU Research Institutes

February 28 – March 7, 2018

The Institute of Photonic Science
visits to e.g. Alba synchrotron facility,
Barcelona Super Computer facility, other
research centre and/or local company

Building Realization and Robotics
Prof. Thomas Bock laboratory at
Technical University of Munich

Selection Criteria (Max 8 students) :

- Have a deep interest in EU Research Institutes
- Able to conduct discussions based on your own research in English
- Have the approval of your supervisor
- Will comply with the laws of the visiting countries (visa etc.)

To apply, please send the required documents to:

office@gmsi.t.u-tokyo.ac.jp

Application deadline: 12:00, December 15, 2017

*Travel and accommodation expenses will be covered.

Call for participants: -2018 International Workshop on EU Research Institutes

国際的な研究交流を目的に、光の科学とテクノロジーを研究テーマとする The Institute of Photonic Science(ICFO)を訪問し、口頭での研究発表、ポスター発表、意見交換や施設見学を実施する。合わせて、ドイツのミュンヘン工科大学等も訪問し、建築ロボット開発に携わるラボを見学する。国際的な研究機関の活動とその事業化の一端を知り、広範囲な分野の知識とその応用について学ぶことを目的とする。

For an international research exchange, the participants will visit The Institute of Photonic Science (ICFO), centering on the science and technology of Light, where oral and poster research presentations, discussions with researchers and lab visits are expected. They will also visit a construction robotics laboratory at Technical University of Munich. This workshop aims to offer an occasion to know about research activities and industrialization plans of global institutes, also to acquire information from different fields and its application.

<Plan> *Tentative

Feb 28 (Wed) : Departure from Tokyo, Arrival at Barcelona

Mar 1 (Thu) – Mar 3 (Sat) : Visit of ICFO in Barcelona

Mar 4 (Sun) : Departure from Barcelona, travel to Munich

Mar 5 (Mon) : Visit of Technical University of Munich

Mar 6 (Tue) : Visit of Technical University of Munich, Departure from Munich

Mar 7 (Wed) : Arrival at Tokyo

<Expected participants>

8 students maximum

<Application>

Please submit your scanned passport (first page with your picture), 1-page abstract and 1-page self-introduction slide to office@gmsi.t.u-tokyo.ac.jp **by 12:00, Dec. 15**. The abstract should contain; name, email, course, grade, department, name of your supervising professor, summary of research including figures. Your application should be approved in advance by your supervising professor. Please include his/her email address in CC when submitting the application. **Please use the templates.**
