

GMSI Summer Camp: Lab tour

13:30-17:00, Friday, Sep. 27, 2013 @ Hongo & Asano Campus, The University of Tokyo

**Meeting Time:** 13:30, Sep. 27, 2013

**Meeting Place:** In front of *SUBWAY* (sandwich shop) in Engineering Building No. 2

Laboratories

---

Mitsuishi-Sugita Laboratory

Department of Mechanical Engineering

Topic: Medical Robotics and Industrial Machinery

<http://www.nml.t.u-tokyo.ac.jp/en/index-e.html>

Lab tour: Administration and Research Building, Department of Medicine

---

Maruyama-Shiomi-Chiashi Laboratory

Department of Mechanical Engineering

Topic: Nanotubes & Molecular Heat Transfer Research <http://www.photon.t.u-tokyo.ac.jp/index.html>

Lab tour: Room 63C2, 6<sup>th</sup> Floor, Engineering Building No.2

---

Nakasuka-Funase Laboratory

Department of Aeronautics & Astronautics

Topic: Intelligent Space Systems

[http://www.space.t.u-tokyo.ac.jp/nlab/index\\_e.html](http://www.space.t.u-tokyo.ac.jp/nlab/index_e.html)

Lab tour: Room 222, 2<sup>nd</sup> Floor, Engineering Building No.7

---

Ikuhara-Shibata Laboratory

Institute of Engineering Innovation

Topic: Crystal Interface

<http://interface.t.u-tokyo.ac.jp/english/index.html>

Lab tour: High Voltage Electron Microscope room, 4<sup>th</sup> and basement Floor, Engineering Building No.9

## AGENDA

13:30-13:45 Registration & assignment to groups

Non-UT students Registration (Name tag, Abstract book, Refund, etc.)

#Non-UT students with UT airfare support need to hand out the boarding pass of incoming flight.

UT students Registration (Name tag and Abstract book)

### Group Alpha

14:00-14:30 Nakasuka-Funase Laboratory

14:40-15:10 Maruyama-Shiomi-Chiashi Laboratory

15:30-16:00 Mitsuishi-Sugita Laboratory

16:20-16:50 Ikuhara-Shibata Laboratory

### Group Beta

14:00-14:30 Maruyama-Shiomi-Chiashi Laboratory

14:40-15:10 Nakasuka-Funase Laboratory

15:30-16:00 Ikuhara-Shibata Laboratory

16:20-16:50 Mitsuishi-Sugita Laboratory
