

Research Internship Guidance

The Research Internship Guidance will be held on October 2, 2019. Pre-registration is not required. If you have an interesting theme on the list, please inform to GMSI Office in advance.

Date and time: Wednesday, October 2, 2019 14:55–16:40

Venue: Engineering Building #2 2nd Floor Room 223

Outline : Internship is a great opportunity for students to apply their skills and knowledge to variety of company' s research themes. Basically, length of internship is more than 2 months for master' s course students, more than 3 months for doctoral course students. The detail of internship such as starting timing, length of internship and theme will be fixed after individual counseling. If your internship meets the requirement of "Engineering Competency 2", you will get the credit. And also, it might satisfy a criteria to get credits for the other graduate course or your major.

Sangaku-kyodo Innovation Jinzai-Ikusei Consortium
