

The University of Tokyo
Graduate Program for Mechanical Systems Innovation (GMSI)
Global Leader program for Social Design and Management (GSDM)
World-leading Innovative Graduate Study Program Co-designing Future Society (WINGS CFS)

2020 Summer Camp

– *Call for Participation* –

The Graduate Program for Mechanical Systems Innovation (GMSI), the Global Leader program for Social Design and Management (GSDM) and the World-leading Innovative Graduate Study Program Co-designing Future Society (WINGS CFS) at The University of Tokyo (UTokyo) will hold an **ONLINE** Summer Camp. By gathering together PhD students from various countries studying Mechanical Systems Innovation, Social Design Management and related fields, the Camp aims to widen the research perspective of the participants and facilitate international communication by developing international networks among young researchers. We invite PhD students from departments/universities related to GMSI, GSDM and WINGS CFS to join the camp.

Outline of the 2020 Summer Camp

Dates: Monday, August 17, 2020, 22:00(JST) 13:00(GMT)
to Thursday, August 20, 2020, 25:00(JST) 16:00(GMT)

Place: Online (zoom, etc.)

Sessions*: 1) Self-introduction

2) Research presentation and discussion

3) Team meeting to propose an international research project

*Further details will be notified to the participants prior to the camp.

Tentative agenda:

Aug.17 22:00-24:00(JST) Opening, Self-introduction (All participants should attend.)

Aug.18-20 Research presentation, Team meeting (discussion time is up to your team)

Aug.20 22:00-25:00(JST) Final Presentation, Closing (All participants should attend.)

Expected participants: Approximately 30 PhD students from the University of Tokyo and 10 from outside Japan are expected to attend the Camp. Professors, researchers, and staff of UTokyo will also attend. The camp will be conducted entirely in English.

Qualifications for participation: To be eligible for admission to this Camp, you must

- a) be a Master or PhD student engaged in research in a field related to GMSI, GSDM or WINGS CFS (see <http://gmsi.t.u-tokyo.ac.jp/>, <http://gsdm.u-tokyo.ac.jp>, <http://cfs.t.u-tokyo.ac.jp/> for the

research activities)

- b) be a member of a laboratory, department or organization related to GMSI, GSDM or WINGS CFS, or a member invited by the organizing members
- c) have a will to attend *all* the activities during the camp
- d) be able to actively participate in discussions in English
- e) be able to communicate with team members using Zoom and Slack.

Credits (UTokyo students): certificated as 3799-148 Engineering Competency III –Summer Camp- (2 cr.) for GSDM Comprehensive Coursework, Problem solving core (UTAS registration is required after completing the registration to the Summer Camp)

Application for participation to the summer camp: submit the application form via email (attached) together with an abstract of your presentation and your self-introduction slide (use attached templates).

Application and questions: office@gmsi.t.u-tokyo.ac.jp

Note that we will select participants from the applicants satisfying the above qualifications whilst considering balance of research fields, participating countries, etc.

We look forward to seeing you at this year's Summer Camp!
