

GMSI Program

2013 GMSI Summer Camp (Engineering Competency III : 3799-148)

– *Call for Participation* –

The GMSI Program at The University of Tokyo will hold a Summer Camp in September. By gathering together PhD students from various countries studying mechanical engineering and related fields, the Camp aims to widen the research perspective of the participants and facilitate international communication by developing international networks among young researchers. We invite PhD students from universities/departments related to GMSI to join the camp.

Dates: Friday, September 27 to Monday, September 30, 2013

Place: The University of Tokyo Sportia YAMANAKA,
Lake Yamanaka, at the base of Mt. Fuji

Sessions: 1) Technical presentations* and discussion on participants' research topics

2) Discussion and survey in small teams with presentations by each group

*Further details will be notified to the participants prior to the camp.

Tentative agenda:

Expected participants: Approximately 20 PhD students from the University of Tokyo and 10 from outside Japan are expected to attend the Camp. Professors, researchers, and staff of GMSI will also attend.

The camp will be conducted entirely in English.
