GMSI-COSM-UT² Workshop 2012

Univ. of Tokyo and Univ. of Toronto

Graduate Students Workshop

The third GMSI-COSM-UT² workshop will be held on **June 18-21, 2012, at Univ. of Tokyo**. Doctoral course students in GMSI, Dept. of Materials Engineering and Int'l Res. Center for Sustainable Materials are all welcome and encouraged to participate in the workshop! The main topic of the workshop is “Material innovation for a sustainable future”, though presentations are not strictly limited to this topic. Those who like to present your research at the workshop must submit a 200 word abstract to; nagashio@material.t.u-tokyo.ac.jp, by **May 2**.

About 10 presentations of U. Tokyo students are expected in the workshop. You will be notified within several days after the above deadline about the acceptance of your abstract. **Extended abstract** (A4, 2 pages) will be requested in case of acceptance, which must be prepared by May 11 (subject to change: depending on the acceptance notification date).
