

Poster design:

Portrait orientation, no larger than **A0** paper size (841 mm wide × 1189 mm tall)

No regulation regarding to layout.

Set up poster session:

Note the session is separated in two days. Please confirm your date in [Poster_List.pdf](#).

The first author (probably he or she is a RA) obligatorily stands at your poster during your poster session. If you could not show up by accident, alternate your colleague.

Put up your poster 9:00-13:00 on the board. The number card on the upside of the board shows your place.

Remove your poster after the session:

26th 15:40-18:00, 27th 16:00-17:30

The committee selects poster awards. We distribute a voting card for each participant. Fill a number that you judge the best.
